

## OUR VISION

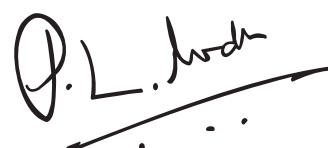

To enhance the quality of life by creating world-class infrastructure.

## QUALITY, HEALTH, SAFETY, ENVIRONMENT (QHSE) POLICY

We are committed to achieving our Vision by

- Designing and executing infrastructure projects to the delight of our customers through cost-effective, on-time, and customized solutions.
- Imbibing 'Total Quality Culture' through continuous process improvement and training of our Associates.
- Creating a safe and clean environment free from hazards, risks, and pollution.
- Complying with all statutory, regulatory and other requirements relating to Quality, Occupational Health, Safety and Environment at our offices and project sites.
- Integrating QHSE processes into every aspect of our work.
- Employing contractors who are committed to implement our QHSE standards.

This Policy is widely available to Associates, stakeholders and other interested parties.
